With Act-On there's never been an easier way to generate demand, qualify leads, cultivate prospects and close the deal. Grow revenue and reduce costs throughout your organization - all with a **single, easy and affordable solution that grows as you do.**

With an amazingly easy-to-use interface and a database that automatically consolidates, profiles and segments your marketing data, the Act-On Platform lets you focus on the big picture without getting caught up in the chaos of multiple marketing tools.

Easy

Set up and launch your first campaign within an hour.

Powerful

Email, forms, landing pages, lead scoring/ nurturing, website visitor tracking, twitter prospecting, performance reporting and more.

Integrated

Salesforce®, SugarCRM®, Cisco WebEx™, Jigsaw™, Twitter, LinkedIn®, Facebook® and Google Analytics™.

Affordable

Starting at just \$500/month with no long term contracts.
